Homelearning

Dear Parents/Carers,

At Westroyd Primary School and Nursery, we work in partnership with our families and we value the support that you provide. You play an important part, as you create an additional opportunity for the children to practice specific skills, enabling them to become fluent in year group expectations. We really appreciate the time that you dedicate to achieving this goal!

We have designed our approach to encourage the children to be more independent in managing and completing homelearning tasks, taking more responsibility for their own learning. Homework for each week, will be found in one place, on the class webpage.

The routine is also uniform across school to help families with more than one child to set a routine within family life.

Homework will be set each week and follows this model.

- 1) Reading to an adult at least three times a week.
- 2) Weekly spellings to practise, in preparation for a weekly test.
- 3) Arithmetic practice such as Numbots, Timestable Rockstars or Maths Watch.

Coming up in Autumn Two, as suggested at our recent Parent Forum, we will be running two workshops to help you to support your child when practising at home.

Spelling Workshop 13.11.23 at 3 pm
Multiplication Workshop 21.11.23 at 3pm

Thank you for working with us in supporting the completion of homework each week.

Any questions or feedback do get in touch through the school office on office@westroyd.leeds.sch.uk

Kind regards

Jenny Pashley
Headteacher.

Westroyd Primary School and Nursery is committed to safeguarding and promoting the wellbeing of all children.
