Dear Parents,

At Westroyd we value the feedback that you provide to improve our wonderful school. As you may be aware we are in the process of recruiting a new permanent Special Educational Needs Co-ordinator for September 2024. Miss Wager has done a fantastic job of covering this role on a temporary basis for one day a week over the last year.

The SENCO role is incredibly important and we know that you will agree that we need to make sure we have the right person for the job. Someone that shares out commitment to achieving the best outcomes for our children, across all areas of development. Someone who will challenge and overcome barriers and have the mindset that there is no limit to what a child at Westroyd can achieve!

At Westroyd we pride ourselves in developing the uniqueness of every child. We want our children to be confident, self assured and proud to be who they are. As a parent of a child in our school who is supported by our SENCO, we would welcome your help in ensuring we have the right person to fulfil our expectations and yours. Therefore, we are hoping that you would spend some time thinking about the attributes you would want the new SENCO to have and also any questions you would like us to ask at interview.

The actual interviews are taking place on Monday 20th May 2024. Therefore we would welcome your ideas/suggestions by Friday 17th May. You can make those suggestions by emailing the school office on office@westroyd.org. If you could title your email SENCO interview that would be really helpful.

Thank you in advance for your assistance.

Kind regards

Jenny Pashley

Headteacher.

Westroyd Primary School and Nursery is committed to safeguarding and promoting the wellbeing of all children.
