5th July 2024

Dear Parents,

At Westroyd we are a small, warm, friendly village school and as the year comes to an end, we prepare for some goodbyes and for some hellos! It is completely usual for the children to experience a mixture of emotions as they prepare to move on to the next stage in their educational career. I am sure it is something you have also been talking about at home and supporting your children with the positives of the upcoming changes.

The children in school are certainly quite excited and have been quite creative in trying to find out who their new teachers are going to be. I nearly caved in when a Y4 pupil offered to make me a cup of tea every morning!

Today the children spent the morning with their new teachers in their new classrooms, getting to know each other! Over the final two weeks, staff have allocated time to meet and share important information about the children as well as discussing academic progress and target setting for the coming year. Early in September we will have curriculum meetings which will create an opportunity for you to hear about the learning expectations in the new year group from the new classteacher.
