WESTROYD PARENT NETWORK

Dear Parents & Carers ,

We are in the process of setting up a Westroyd Parent Network to help enrich the learning experiences in different areas of our curriculum, and we need your help! If you think you could help by lending resources, giving a talk or running a workshop with our children in any of the areas below, we would be really grateful if you could fill out the Westroyd Parent Network template consent form on Schoolcomms.

Our topic areas are as follows for our different year groups:

- The Outdoors
- Emergency Services and Staying Safe
- Different Cultures and Countries

Year 1

- Great Fire of London

- Places of worship
- Landscape painting

Year 2

We are hoping to create a Westroyd “bank” of talent that we can draw on throughout the year, to ensure that our learning community are inspired and engaged with real-life experiences throughout their time at our school. If you feel you could help with this through your own work or experiences or even know a local business who would be happy to support us, please fill in your details on SchoolComms! All data will be stored and shared securely in line with our school data protection and GDPR policies. Thankyou in advance for your support!

Yours sincerely
