

What is on at Westroyd?

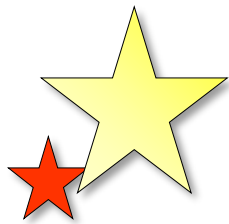

18th October 2024

It was wonderful to see all the children celebrating Harvest at our special assembly at St Johns church. Thank you for all your donations to the food bank. Nursery & Year 3 have welcomed final year teaching students to their classes this week and they will be with us for the next half term. The weather could not have been better for our annual welly walk this year. It was a lovely afternoon, as always the children were so well behaved, even our school therapy dog came to join! We will continue taking sponsorship money until then end of the half term. Early Years had their first open session of the year and Year 6 enjoyed their Geography walk. School council met with Miss Pashley and one of our governors who is a local councillor. More of our governing body where in school on Friday going into lessons and meeting with key subject leaders to hear about our curriculum development as well as our work with the English and Maths hubs. See below for a busy last week of the term.
