

What is on at Westroyd?

11th October 2024

Year 2 have really loved their bike lessons this week. They were all so confident to have a go and learn this important life skill. Reception had a great time this week on their first trip out. They went on a local walk to Westroyd park to look for signs of Autumn. Each group carefully noticed the signs of the season and collected their favourite leaves. At Westroyd we love using our local area to bring learning to life! Year 5 have also been on a local walk this week looking for what is in our local area of Farsley. A huge thank you to all the families that joined me for our phonic meeting this week. We looked at how phonics is taught at Westroyd with our new scheme that was introduced in the Summer term called Read, Write, Inc. There will be more opportunities throughout the year to hear more about phonics and how you can support your child. We have had a busy week with 2 special events. On Thursday we all wore yellow in support of 'Young Minds'. Thank you for all your contributions. Today we had a 'Heritage Day'. Every year group enjoyed learning about sheep and our local heritage and community!
