

What is on at Westroyd?

20th September 2024

Another great week at Westroyd with the sun still shining! Year 1 have been learning the story 'Funny Bones' and have had great fun acting it out in class. Year 2 have been doing some fantastic maths learning; comparing numbers using concrete resources. Year 3 have been learning how to apply their knowledge of conjunctions when writing linked to their class text. Year 4 have enjoyed their PSHCE lessons linked to feelings and emotions. We are using 'zones of regulation' through out school to support children's ability to self regulate. Year 5 are impressing us with their Spanish knowledge too! In Early Years we have been learning how to use the mud kitchen and developing lots of new friendships!

I am very excited to have a development day next week supported by the Reading Hub. We are continuing our development and implantation of our phonics scheme which is off to a flying start. Next week our own schools literacy specialist will be in school for a full day supporting us to ensure our children get the very best!

After school clubs are coming soon; these will be able to book via Arbor from next week. If you have any questions or queries about our on site wrap around provision you can use our dedicated email address; wraparound@westroyd.org.
