

What is on at Westroyd?

13th September 2024

What another great week at Westroyd! Today we held our first Celebration Assembly of the school year and I was so proud to present the awards to our fantastic role models. It feels like we have had such a strong start to the year.

After school clubs are currently being organised so watch this space for some exciting clubs! Thank you for your continued support and patience as we migrate to Arbor. Hopefully you are now all up and running, if you need any assistance please contact the office who will be happy to help. Reception did their first PE session today, whilst Year 1 and 2 continue to blow me away in the Read Write Inc lessons. Year 4 have done great work in maths learning about thousands, whilst Year 6 have been identifying and using metaphors in their writing lessons.

We look forward to seeing you at the meet the teacher meetings after school next week.
