

# What is on at Westroyd?

28th June 2024

A huge thank you to all the parents, carers and families that made our Summer Fair happen. It was a great success and I can't wait to find out the total raised. Thank you for all your contributions. This week some children took part in the Pudsey Olympics, the children did incredibly well and worked so hard. We are all really proud that they came 5th which is our BEST EVER finish for this event! Of course this means we are aiming for 1st place next year! This week Year 1 have enjoyed playing dodgeball in PE. Year 4 have been finishing their electricity topic exploring renewable and non renewable sources. Some Year 6 pupils attended transitions days at their secondary school. We can't believe their final few weeks are upon us! Year 5 have been writing some wonderful non-chronological reports about the amazon rain forest. Reception have been practising for their Sports Day and have been doing some great number bond work. Next week we have our annual 'Happy, Healthy, Safe Week'. We have lots of amazing activities, visitors and lessons planned. Our transition morning is also now happening this week. We will share lots of photos on the school website.
