

# What is on at Westroyd?

7th June 2024

We've had a great first week back. Year 4 have been doing lots of time tables practise in preparation for their check. Year 3 have been doing some great writing linked to the book they are reading called 'The firework makers daughter'. As well as practising their volley ball skills in PE! Year 2 have also done some lovely writing using powerful adverbs whilst writing a description of a jungle. Our new phonics scheme is also going well. I go into lesson every day and the children are doing so well. They are showing fantastic learning behaviours and picking up the new routines brilliantly. Myself and Miss Pashley were very excited yesterday as we have joined a 2 year project with the English Hub which will give us on going support to make sure that our new phonics scheme gets the best outcomes for our children. We have had a number of families approach school with concerns about how families are parking around school. In order to make sure our children and families are safe you must park legally and safely when driving to school. It is going to be a busy and exciting last half term so please keep checking our newsletters and calendar for updates.
