

# What is on at Westroyd?

24th May 2024

Our final week of the half term has been full of exciting events. Through out school pupils have been getting involved in creating artwork for Farsley Festival. It is looking amazing— we hope to see you there! The Year 6 pupils did a phenomenal job at the cricket event on Thursday night—and we WON! Huge well done and thank you to Mr Fawcett for organising. Luckily the heavy rain held off for Year 5 as they went to Yeadon Tarn for kayaking and other outdoor pursuits as part of their PE learning around outdoor adventurous activity. Movie night was enjoyed by all the pupils we raised a great amount to go towards new outdoor equipment as requested by our school council. Nursery & Reception had their open session around physical development, thank you to all who attended. We also received the exciting news that our school have achieved a Science award which is a recognised accreditation. The awarding body commented on our high standard of science teaching and curriculum. It was fantastic to see the children receiving awards this morning in our special recognition assembly.

Well done to those pupils and thank you to the adults that attended. Have a safe and happy half term and we will see you all on Monday 3rd June.
