

What is on at Westroyd?

17th May 2024

A huge well done to the Year 6 team. They have all worked incredibly hard this week during SATs and we are so proud of them! Their hard work earned them a visit from the ice cream man on Thursday afternoon—well deserved! Nursery had an exciting start to the week with an animal experience linked to their learning from the story 'Dear Zoo'. The children enjoyed holding a range of animals. Reception have set up a farm shop after their trip to Hesketh Farm. Year 3 have been learning about Mary Anning who discovered prehistoric fossils, whilst Year 4 have been writing their diary entry from Heard Farm. Year 2 have also been doing some great writing using expanded noun phrases from the book 'Wild'. Mr Coats has now put up our 2nd Little Lending Library. There are book in both one located at the KS2 playground and 1 at the KS1 playground. Please help us to make these a success and encourage a love of reading by sharing, taking and returning or donating books. Year 4 did a brilliant job sharing their learning in their assembly this morning. It was lovely to hear them share so confidently, thank you to all the parents and carers who joined us, we hoped you enjoyed it.
