

What is on at Westroyd?

10th May 2024

This week the children in Year 5 have been learning all about angles in maths. Year 2 have been learning sketching skills to create artwork of shells. Year 1 have been learning about plants in science and have also been continuing with their preparation for the Phonics Screening Check. Thank you to those parents that made our information session. Year 3 have been finding out about tsunamis and showing off their skills in PE when learning to throw the javelin. Year 4 have a new lunch time TTR club in preparation for the multiplication test. Reception children had an amazing time at Hesketh Farm learning all about animals and farm products—of course we couldn't leave without a picture with some sheep! Farmer Chris told us he had lamed over 2000 sheep this year! Finally we know Year 6 pupils and staff have been working so hard as we get towards SATs week. Make sure you have a restful weekend—we know the children will all shine next week and their hard work rewarded.

W/C 13/05/24	During the school day	After School
Monday	YR 6 SATs All Week Nursery—Animal Experience Y2/Y3/ PE Day—Come in Kit	Yoga Club YR1-3
