

What is on at Westroyd?

3rd May 2024

It's starting to feel more like the Summer Term as we see more glimpses of the sunshine. As the weather changes you may want to transition to summer uniform and remember sun hat and water bottles on those warmer days. Please ensure that even on PE days your child is wearing School Uniform or School PE kit. Staff will provide an alternative to borrow if they come in items that are not uniform. Being in uniform makes sure that all children feel smart and proud. Thank you for your support with this.

Reception are learning the story of 'Chicken Licken' and have been doing some great writing, they are very excited about their trip to the farm next week! Nursery have been learning about different zoo animals from the story 'Dear Zoo'. Year 1 are preparing for the Phonics Screening Check, every week I go round phonic lessons and they are all trying so hard. Year 2 have been learning all about stop motion in their computing lessons are working this half term to create a stop motion animation.

This week we had the Leeds safeguarding team in completing a review of our safeguarding audit and it went very well. We also had the Prevent team in doing whole staff training. Safeguarding is a key priority that we are striving for excellence in. We hope you enjoy the Bank Holiday weekend.
