

What is on at Westroyd?

15th March 2024

We have had a really exciting week in school joining with British Science Week. We had a great assembly on Monday with a visitor and then each class has been busy doing their own experiment. This year the theme was 'time'. Year 6 were testing how long biscuits would last after being dipped in a cup of tea; whilst nursery were seeing how long it took for the Coca-Cola to explode after putting mentos into it! Year 1 made a water clock.

Year 2 have been doing some fantastic writing about dragons, they have been up to show off their work to Miss Pashley. Year 3 have been using clay to make their Roman columns they have enjoyed designing them and evaluating how well they worked.

Some children in KS2 took part in a cross country event on Thursday organised by Mr Fawcett, we did a brilliant job at representing our school.

This year we have built links with Leeds Beckett University. We have already welcomed students and we will be welcoming 3 more students next week. We know they will add to the children's experience bringing fresh ideas!

W/C 18/ 03/24	During the school day	After School
Monday	Y6 Mock SATs all week Y2 PE Day—Come in Kit	Y5/Y6 Football Club Y4-Y6 Wood work Club
Tuesday	Y1/ Y3/ Y6 PE Day—Come in Kit 2pm Parent Forum	Y1-Y3 Dance Club Y1– Y6 Game Club
