

What is on at Westroyd?

7th March 2024

It has been another busy week here at Westroyd. Year 2 had a special visitor which was an amazing experience for the pupils linked to their topic. They got to try on some armour!

What a cosy day celebrating World Book day in our PJs! The children across school took part in lots of great reading activities and most importantly had lots of time to get comfy with a book. Thank you to all our parents who came in to read books with our classes the children loved it! Remember if you buy a book at Truman book shop tell them you are from Westroyd so we can collect points! There is still time to bring in books for the swap—more details about this coming soon.

Next week we are looking forward to some great science learning and experiments through out school to celebrate British Science Week!
