

What is on at Westroyd?

1st March 2024

As we are Greggs School of choice this year, they have very kindly been refreshing our fences around school this week. Last night, Mr Fawcett took a group of children to compete in a handball competition. We won 2 matches and drew 1. Amazing!

Year 6 have been doing some great whole class reading lessons, focusing on developing key skills such as visualisation, inference and predicting. Year 2 have been learning about measures during their maths lessons and have been spotted around school measuring using centimetres and meters.

World book day is next Thursday 7th March. We are all coming in our pyjamas to promote bedtime reading. At Westroyd creating a culture of reading for pleasure is a priority. Evidence from OECD (2022) found that reading enjoyment is more important for a child's educational success than their family's social—economic status. There is a special school dinner on offer to celebrate. Please book this dinner through School Comms. Also we still need some parent volunteers to be 'mystery reader'. There's still time so please speak to your child's class teacher to get involved!
