

# What is on at Westroyd?

23rd February 2024

What a great first week back at Westroyd! It was great to celebrate in assembly today some true Westroyd Role models. We love to celebrate achievements outside of school too. Your child can bring these achievements in on a Friday to share in assembly.

This week Nursery have been flipping pancakes after reading Mr Wolfs Pancakes, whilst reception have been learning the story of Jack and the Beanstalk. They also did their first PE session in the main school hall. Year 3 have done a brilliant job at welcoming their new teacher and Year 4 have been rocking it during their time table rock star sessions. Year 2 have been looking into the different types of roles there would have been in a castle and done some amazing writing.

World book day is coming up –please see separate letter with more information.

There is a special school dinner on offer to celebrate. Please book this dinner through School Comms.
