

# What is on at Westroyd?

19th January 2024

What another great week at Westroyd! Year 5 and 6 pupils took part in a really tough sport and athletics competition against other Leeds schools. Well done to those pupils for showing a great attitude and trying so hard! Year 2 have been really enjoying their computing lessons using Scratch Jr this week and Year 1 have been planning some great poems! They children in Early Years have been exploring ice and how it changes. Nursery have been learning a winter poem too.

With the colder weather also comes winter bugs. Please make sure if your child has been unwell they don't return to school until they are well enough. Next week we have our curriculum meetings after school, it's a great opportunity to see what learning is happening for your child during this half term and also an opportunity to meet your child's teacher.
