

What is on at Westroyd?

10th November 2023

What a memorable week at Westroyd. Year 6 have been at Robin Wood Monday—Wednesday. They had an absolutely brilliant time. Some of them shared their best bits with me in assembly. They talked about challenging themselves as well as developing co-operation skills. The zip line, caving and piranha pool were particular highlights. Mr Fawcett has shared some photos on google classroom and the website for parents to view.

This week we have had many prospective families look around school for Reception 2024. They were all so impressed with our school and commented on how polite our children are. If you or someone you know has missed the tours and would like to view the school we are happy to arrange this.

This week throughout school we have been learning more about Remembrance Day. Each year group made a poppy wreath, we presented them and had a reflection time during a special assembly.

This week we held our class curriculum meetings, thank you to those who did attend and we hope you found it useful. These short session are designed to keep you informed with current learning and an opportunity to see the classroom.
