

What is on at Westroyd?

22nd November 2024

This week we have been enjoying making lanterns across school for the light switch on. Children are making their own lantern using recycled bottles. Thank you for all your donations! We'd love as many families as possible representing our school in the parade. This year will be special with a number of handmade lanterns some of which children from Westroyd have made. We are meeting at the library at 5.45pm-6pm. We have had a reading specialist in this week as we continue our work with the Reading Hub. We spent time in lessons and setting up support for staff and pupils to ensure the best teaching is happening and all our children learn to read no matter the barriers. To keep everyone safe at the busy start and end of the day, vehicles must not be parked on the yellow chevron lines. To make you aware to keep everyone safe this is regularly patrolled by our local policing team. Year 5 and Year 6 had a fantastic day at Jorvik despite the snow! The children said the ride was the best part as they were fully immersed in a past world. I can't to see how this supports their future learning!
