

What is on at Westroyd?

13th December 2024

What a festive week at Westroyd! We had amazing performances from both the children in Early Years and Key Stage 1 as they performed their version of the Christmas story. We are so proud of all the children and how confident they all were, lots of special memories formed. This week we welcomed the road safety team to perform a mini panto for Year 1-6 and Year 4 were very excited to complete field work at the park. We have a jam packed week coming up with lots of fun and amazing experiences.

W/C 16/12/2024	During the school day	After School
