

# What is on at Westroyd?

10th January 2025

A huge welcome back to all our families. We hope you all had a lovely Christmas break. A huge thank you to all the families and staff this week as it has been tricky to navigate with the weather conditions. As always at Westroyd we always overcome the challenges and we are really pleased we have managed to not have too much disruption to teaching and learning. This week we had a healthy eating assembly as we introduced healthier snacks at playtimes. Year 1 have been doing some great maths learning this week whilst Year 2 have been learning about money in their maths lessons. The children in Early years have enjoyed playing in the snow and this has supported their learning about the season of winter perfectly. In Nursery we have welcomed new children to the class this week and we are excited for them to begin their learning journey with us! We have been using the hall and other spaces to keep moving as we haven't been able to play outside. We held a final school tour this week, the deadline for school application is the 15th January. If you or someone you know needs assistance completing the application please get in touch with the office. Next week our after school clubs start if you want to book on you can do so through Arbor.

W/C 13/1/2025	During the school day	After School
Monday	Year 2, Year 3 PE—Come in kit	Games Club YRs1-6
