

# What is on at Westroyd?

17th January 2025

Year 3 went on a trip to the Yorkshire Museum, they took part in a workshop learning how to be a Roman Soldier with real swords and shields. The children loved it and their behaviour was brilliant. Year 4 have been busy in maths learning column method for multiplication. They have also been rocking on Times Tables Rock Stars! Year 2 have been really enjoying their PSHCE lessons, this week they have started learning about different medicines, where it comes from and why we use them. Dinners are all booked through Arbor please make sure you choose your child's dinner, if no dinner is inputted your child will receive the green choice. If you need any help please do ask the staff in the office. A polite reminder that if you bring a dog around the school grounds to please pick up any waste left. We want to make sure the streets around our sites are clean. We have been having some visits from our local PCSO for parking as always please make sure you park safely including not parking in front of local residents driveways. Did you know we now recycle batteries and toner cartridges? Please drop any off in the office where we can recycle and get money back. Next week we look forward to our Reading Specialist visiting us again to support us with implementing our phonics scheme. We also have a meeting for Year 4 parents about Herd Farm, more details to follow.
