

# What is on at Westroyd?

9th May 2025

Thank you to all who came to see the art from spinning tales at the weekend. This week Reception went to Hesketh Farm. This was a brilliant learning opportunity where the children took part in different activities some of which are not available to the public. The children learnt so much about animals and the role of a farmer but most of all they had FUN together as a class— surely a lasting memory for them all! As always our children were commented on for how well behaved they were outside of school. VE day celebrations took place this week with a fantastic day on Thursday with our outdoor picnic lunch, the hall looks brilliant with all the flags. We had some different visitors classes to support learning about this celebration and carrying out different workshops. Year 6 are gearing up for a big week next week, we know they will make us all proud as they do their very best next week. Thank you to all the parents who came into school this week for Nursery & Reception class open session. As well as Year 1/2 parents who came to the Phonics meeting. Word is getting out about our fantastic school which is down to you spreading the word in the community, thank you! If you do know anyone who is looking for a place please do get in touch. Year 2 have been practising for their class assembly this week which they are very excited about sharing next week!

W/C 12/5/2025	During the school day	After School
Monday	Year 6 SATS all week Year 2, Year 4, Year 6 PE—Come in kit Nursery Animal experience with Lion Learners
