

Literacy

We will be sharing stories and songs daily. Children will be learning to listen and respond to what they have heard as well as learning 'Rosie's Walk' by heart. Our focus Author this half term is Martin Waddell. If you have any books by this author you are willing for us to share this half term we would love to share them in class.

Maths

We will be collecting Autumn objects which we will use mathematical language to compare and sort. We will also make lots of patterns using them.

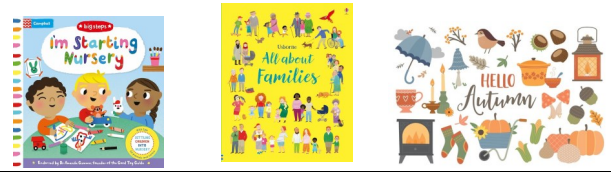

If you go on an Autumn walk and want to bring anything in we would love to add it to our Autumn table.

Nursery

Autumn 1 2025

All About Me

Understanding the World

This half term we will be thinking about ourselves and how we get to Nursery. We will be doing lots seasonal observation including the weather and going on 'Autumn hunts'. We will be getting involved in range of activities linked to 'Harvest' and 'Halloween'.

Expressive Arts & Design

We are learning some poems by heart and using our singing voice. We will be learning to name colours whilst using paint. We will be exploring using different mark making tools and drawing pictures of ourselves. We will be using 'loop' scissors.

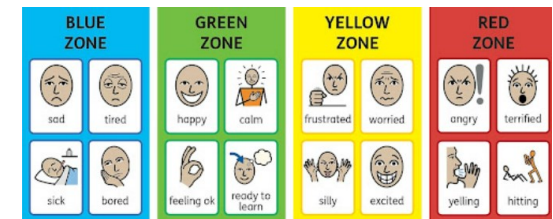

Life Skill– Taking our coat on and off

Communication & Language

We are learning the 'listening rules' during group time. We are developing speaking in sentences using sentence starter and colourful semantics with a focus on 'what' questions.

Personal, Social & Emotional Development

We are learning the names of our new friends. We are using books like 'The Colour Monster' and strategies like 'Zones of Regulation'. To help us identify our feelings and emotions.

Physical Development

This half term we will be taking part in daily sessions to work on balance and maneuvering using hands and feet. We also do 'dough disco' every day to develop finger strength and dexterity.
