

WHAT IS ON AT WESTROYD?

19TH SEPTEMBER 2025

A fantastic afternoon today as the children enjoyed getting arty with Aidy in preparation for our Heritage day tomorrow! We hope to see you there- 10am-12pm for the free sheep hunt! We've even been making sheep biscuits!

Year 1 and Year 3 have both enjoyed a seed workshop at Westroyd park. They enjoyed exploring different types of leaves and how to identify trees as well as how seeds are dispersed.

Year 4 have been doing some amazing writing using fronted adverbials to describe Narina. Children in Reception have been learning the story 'Little Red Hen' they have done some great re-telling. Year 5 have been wowing us in Maths learning numbers up to 1million and learning to round. We have had some updated training this week for our phonics programme, 'Read, Write, Inc'. The regional consultant was blown away with how well all pupils at Farsely Westroyd are learning to read.
