

WHAT IS ON AT WESTROYD?

14TH NOVEMBER 2025

We kicked off the week with 'Odd Socks Day' for Anti-Bullying Week. There were some really funky socks around school! Pupils across school enjoyed PSHCE lessons this week to support this special week. We had another tour this week for Reception places in 2026. We only have 2 more tours after this, one on 19th November and the final one on 27th November, if you know anyone who might be interested please do let them know. All pupils have been busy making Remembrance wreaths that we shared in a special assembly on Tuesday after a 2 minute silence. Our school council also went to the cenotaph to lay a wreath. We held our parents evening this week, we hope you enjoyed discussing your child's next steps with their class teacher. Year 4 have been taking part in cycle training this week which they have thoroughly enjoyed. Some Y3/4 pupils did brilliantly at an athletics event this afternoon at Leeds trinity. Well done Team Westroyd!
