

WHAT IS ON AT WESTROYD?

28TH NOVEMBER 2025

This week Nursery & Reception held an open session for Literacy and Phonics. Thank you so much to all the families that came we hope you found it fun and interesting! Some KS2 children took part in a bowling event at Kirkstall this week which was so much fun! The highlight of the week has to be our parade for the Farsley Light Switch on! Again a huge thank you to all the families that came to join the parade- we weren't put off by the rain and in the end we looked great representing our school in the local community. We also held our final tour for prospective parents for Reception 2026, these have been really well attended which is very exciting for us. Year 4 and 5 have both been on trips this week. Year 4 loved the Chocolate factory and Year 5 went to Jorvik for the big dig! We ended the week with our famous Christmas bauble assembly where all the children put a bauble on the tree and we turned our school Christmas lights on!
