

WHAT IS ON AT WESTROYD?

12TH DECEMBER 2025

What a brilliant week at Westroyd! It has been very festive! Children in Nursery & Reception performed to the rest of school and their families in their Nativity on Wednesday. Whilst Year 1 and 2 also did their take on the Christmas story on Thursday. The singing was fantastic! All the children did such a brilliant job and the hall was brimming with pride! We hope you all enjoyed it and it is a special memory for you. Some children have been taking part in Christmas sing-a-longs and the choir have been singing in Leeds market. Next week is another festive and busy one. The letter sent out earlier in the week will help you to keep track of what is happening. This year when it is your child's party day we are asking that you bring in a party snack for your child. This can be items outside of our healthy eating policy but still no nut products please. See separate email sent for more information.
