

# YEAR 1: SPRING 1

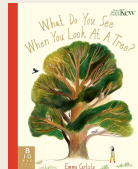

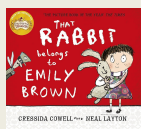

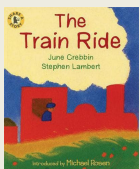

## Writing

This term we will explore the books:

**The Train ride- Jane Crebbin**

**That rabbit belongs to Emily  
Brown-Cressida Cowell**

**What do you see when you look at a tree?-  
Emma Carlisle**

This term we will learn to:

- use question marks
- to join words and phrases using 'and'.
- to use capital letters for proper nouns.
- to use exclamation marks.

What can you do to help?

Ensure you read as often as possible at home.

Encourage mark making and writing at home.

## Maths

This half term we will explore both 2D and 3D shapes, alongside exploring different patterns. We will also explore the composition of numbers 6-10, building our number bond knowledge further.

This term we will explore the topics:

**Recognise, compose, decompose  
and manipulate 2D and 3D shapes**

**Composition of numbers 6 to 10**

What you can do to help?

Encourage discussions at home-  
explore finding shapes in your  
everyday environment.

Use Numbots on a tablet or  
computer as often as possible.

History: How toys have changed.

Science: Exploring everyday  
materials.

Art: Painting and mixed media- colour  
splash.
