

WHAT IS ON AT WESTROYD?

13TH FEBRUARY 2026

This week the children have taken part in different activities linked to children's mental health week. Did you know we are currently working towards a new healthy schools award. Miss Martin is working very hard to make sure we achieve this award which we are externally marked on. We also had a special assembly and lessons about Safer internet day. Please see the separate letter with information about games, apps and devices. On Thursday the Valentines disco was a huge success! Lots of great dancing and fun! Thank you for attending these events as it support us to raise money for school funds! A reminder that school and nursery is closed next week for half term and we re-open on 23rd February. Please make a note of PE Days for your child's year group below as there may have been some changes for next half term. A huge well done to those pupils who recieved a recognition award this morning, you are true Westroyd role models!
