

# WHAT IS ON AT WESTROYD?

**27TH FEBRUARY 2026**

We have had a really positive start to the new term this week, the lighter morning and dryer weather have been very welcome! Thank you to the families that attended our free first aid session on Monday. The company that came in loved us so much they are coming back to work with our KS2 pupils! Miss Martin is working hard to help us achieve our healthy schools award status and we have our external assessment for this in March. Year 5 have been doing some brilliant Maths learning this week and Reception have been very enthusiastic about their new text Jack & the Beanstalk. Tickets for afternoon tea and slots for parents evening are now live on Arbor. A reminder it is World book day next week and we would love some more donations for our book swap. Don't forget to take part in our sponsored read event next week to help raise money for book areas in school.
