

WHAT IS ON AT WESTROYD?

2ND APRIL 2026

What a fun filled last week at Westroyd! We loved celebrating success this morning with families during our Recognition Assembly. We then had a very special guest visit from the Easter Bunny! Miss Pashley and school council went around to judge and hand out prizes for the Easter Decoration competition - there were some really creative entries! Thank you for all your donations! Please make sure you take note of your child's year group PE days as there have been some changes for the Summer term. Also take a look at the information below about an Easter Reading challenge we are holding in school and how to take part. As a school we are taking in part in the National Year of Reading and below we have also included some events happening in the city over the Easter holidays linked to reading. We hope you have a happy and safe Easter Break. Nursery and School Re-open on Monday 20th April
