

WHAT IS ON AT WESTROYD?

24TH APRIL 2026

We have had a lovely week back after the Easter break. The children have done so well coming back and even some visitors commented on how calm our children are. Year 3 have had a great trip out to The Deep this week. They loved seeing the penguins and going in the tunnel! We have had our class photos taken this week, they should be coming out to you to order very soon. Year 4 have been out swimming this week too which they have loved. Year 6 are really working hard at the moment as they prepare for SATs. Year 1 are preparing for the screening check. There is an information session for parents coming up on 5th May at 5.30pm online and 7th May at 9.30am in person. We have a range of after school clubs available starting next week that are now live to book on Arbor- have a look and book on! Please see separate information about which clubs are for which year groups.
