

Farsley Westroyd: Geography Long Term Plan (25-26)

	Autumn	Spring	Summer	
EYFS	Our EYFS activities are delivered throughout the year to ensure pupils meet the Statutory Early Learning Goals while building the foundations for Geography. We use Development Matters as a valuable, non-statutory supplement to further refine and support this learning journey. For an in depth look at how our Early Years Curriculum is broken down and builds onto our Primary Curriculum, click here .			
YEAR 1	What is it like here?	What is the weather like in the UK?	What is it like to live in Shanghai?	
YEAR 2	Would you prefer to live in a hot or cold place?		Why is our world wonderful?	What is it like to live by the coast?
YEAR 3	Are all settlements the same?	Why do people live near volcanoes?	Who lives in Antarctica?	
YEAR 4	Where does our food come from?	Why are rainforests important to us?	What are rivers and how are they used?	
YEAR 5	What is life like in the Alps?	Would you like to live in the desert?	Why do oceans matter?	
YEAR 6	Why does population change?	Where does our energy come from?	Can I carry out an independent fieldwork enquiry?
