

WHAT'S ON AT FARSLEY WESTROYD?

18TH SEPTEMBER 2026

What a busy week it's been across school! Year 6 have been channelling their inner Katherine Rundell, pencilling narratives inspired by 'The Explorer' that would put most real-life adventurers to shame. Year 5 got hands-on dissecting plants, uncovering all sorts of botanical secrets. Year 4 followed the epic journey of a cocoa bean named Theo, from tree to treat - now experts in all things chocolate (in theory, at least). Year 3 have kicked off their rocks topic and are now experts at telling their igneous from their elbows, while our youngest scientists have been getting stuck in too - quite literally, in some cases. Reception have been busy crafting counting wands (there may be a few budding wizards among us) and wonderfully creative self-portraits. Meanwhile, Nursery have been making the most of the outdoor area, mud and all. Another cracking week of learning at school!

A gentle reminder to parents: please remember to book your child's lunches in advance. Thank you for your help with this!
