

# Westroyd's RE Ground Rules

## **No Right or Wrong Answers**

There are no wrong answers about what people believe. We are here to learn together.

## **Share, but Don't Make Others Agree**

It's good to share what you think, but we don't make others agree with us.

## **Be Kind to Everyone's Beliefs**

We all believe in different things. Let's be kind and friendly when we talk about them.

## **Be Open-Minded**

Stay open to learning new things, even if they're different from what you know.

## **Ask Questions Nicely**

It's great to ask questions! Just make sure you ask them in a nice way.

## **Use Kind Words**

Always speak nicely when we talk about different religions and people.

## **Use the Right Words**

We'll try to use the correct names for things when we talk about religions. If you don't know, ask!

## **Work Together**

Let's be helpful and work as a team when we do activities and talk about new ideas.
