Ground Rules

1 Be Kind and Respectful

We will be kind and respectful when talking about different beliefs, religions, cultures and ideas.

2 Share, but Don't Make Others Agree

We can share what we think and believe, while respecting that others may think differently.

3 Ask Questions Nicely

It's good to be curious and ask questions. We will always ask them in a kind and respectful way.

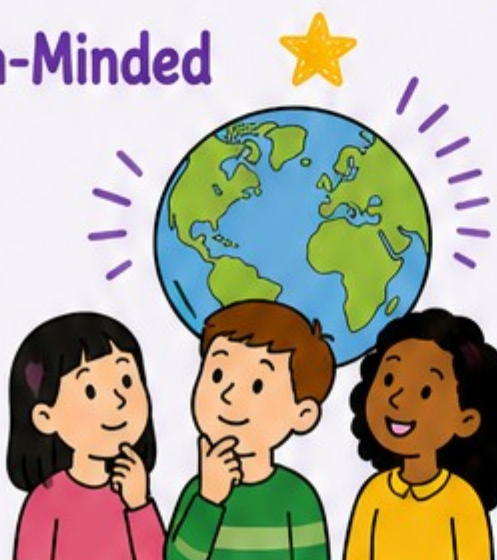

4 Use the Right Words

We will try to use the correct names and words when talking about religions and beliefs. If we're not sure, we can ask.

5 Be Open-Minded

We are here to learn, not judge. We will be open to new ideas and understand that people may have different beliefs.

6 Learn Together

We will listen, share ideas and work together to help everyone learn.
